Certificate for Stockpond Water Right

CERTIFICATE NO.: 3831

PRIORITY OF RIGHT: January 9, 1984

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,
Terry J. Hand and Judith L. Hand
8520 Latrobe Road
Shingle Springs, CA 95682

has filed a claim of water right for a stockpond constructed prior to January 1, 1969, and has applied to the State Water Resources Control Board for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the Board that the stockpond described herein had a capacity of 0.3 acre-feet on January 1, 1975; that the stockpond was constructed in 1968 that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

It therefore appears and the State Water Resources Control Board certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1, with a priority of Jan. 9, 1984, to collect and hold in storage 0.3 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:
